RE: HEARING APPLICATION  
HOSS RA SUAA  
Spider Field  
DeSoto Parish, Louisiana  
Our File No. 230593.0096

Dear Sir:

On behalf of COMSTOCK OIL & GAS-LOUISIANA, LLC, application is hereby made for a public hearing to receive evidence concerning the issuance of an order pertaining to the following matters relating to the Hosston Zone, Reservoir A, in the Spider Field, DeSoto Parish, Louisiana:

1. To permit the applicant to drill, designate and utilize the Comstock Oil & Gas-Louisiana, LLC - DeSoto Oil & Gas Trust No. 7-Alt. Well and the Comstock Oil & Gas-Louisiana, LLC - DeSoto Oil & Gas Trust No. 8-Alt. Well, at the locations shown on the plats attached hereto, as alternate unit wells for HOSS RA SUAA, in exception to the spacing provisions of the 92-H Series of Office of Conservation Orders and LAC 43:XIX.1901 et seq. (Statewide Order No. 29-E).
2. To explicitly find that the proposed alternate unit wells are necessary to drain a portion of the Hosston Zone, Reservoir A, in the Spider Field underlying HOSS RA SUAA, which cannot be efficiently and economically drained by any existing well in such unit.
3. That the operator of HOSS RA SUAA should be permitted to produce the unit allowable from the unit well, alternate unit wells, or any combination thereof, at the operator's discretion.
4. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The Hosston Zone, Reservoir A, in the Spider Field, DeSoto Parish, Louisiana, was defined in Office of Conservation Order No. 92-H-1, effective October 16, 1979.

The Rules of Procedure of the Commissioner of Conservation pertaining to the Pre-Application Notice requirements, are not applicable to the hearing requested herein, which requires legal notice of only ten (10) days.
